Subject: Support for emeritus status for James M. Clinton

For the Board of Regents:

July 31, 2017

I have known Jim Clinton since he became a Diplomate of ACVO in 1972, when we didn't have many members. I understand that he has sold his practice and is retired. He has supported the ACVO through the years and added to the literature on eye diseases in animals.

I hereby support his application for ACVO emeritus status.

Sincerely

Lloyd C. Helper, DVM, D.ACVO

Cc: James Clinton, DMV, D.ACVO
